

STUDIO ALEKSANDRA GACA
TEXTILE DESIGN

INTERNSHIP VACANCY
interior product designer | interior architecture

Are you an open-minded, motivated student or recent graduate who is passionate about textiles, design and architecture? Eager to experience the creative process from textile design to implementation in an architectural environment? We now have an intern vacancy!

We are a textile design studio specialized in innovative woven textiles on the intersection of art, design and architecture. We create products, installations and other textile-based solutions for well-known international architects, brands, manufacturers and institutions.

YOUR TASKS

- Assisting in the development and realization of concepts, textile products & architectural projects
- Assisting in researching materials and colours
- Assisting in building client presentations, exhibitions and events

YOU ARE

- Independent and work well with others
- Willing to learn and eager to push the boundaries of design
- Proficient in InDesign, Photoshop, Illustrator and 3D drawing-programs like Sketchup
- Knowledgeable of basic materials and textiles
- Fluent in both written and spoken English

DURATION

Minimum of 4 months (preferably 6), 2-3 days in the week
